### TWO WAGONS HIT BY TROLLEY

Burlington Cars Smash Up Two Rigs and Injure Three People

Burlington, June 15.—By a disastrous coincidence two collisions occurred between trolley cars and wagons at the same spot at the corner of North avenue and Elmwood avenue, within 12 hours, in both cases the occupants of vehicles being thrown out and injured, though not fatally.

Late last evening John McKenzie, a meat man, was returning from Charlotte and as he was driving up Elmwood avenue with the sides of his carriage drawn tight to keep out the rain, a North avenue car struck his horses and before the car could be stopped the wagon and horses were dragged for 50 feet in a kicking, splintered mass. Miraculously he escaped with severe bruises about his left arm and side. One horse will probably have to be killed.

When the motorman, William Pelland, saw that the collision could not be averted he reversed the car and used every means to stop. The passengers were shaken up and scared but none of them injured.

When the 6:15 car was making its trip this morning the second accident happened on the same spot. Mr. and Mrs. Roy Geddes were returning from the creamery with Dr. Sparhawk's milk wagon when the car struck the front of the wagon sideways. Mrs. Geddes was thrown to the ground behind the horse's feet and the animal gave a plunge and broke away from the wagon. She sustained severe bruises about the head and shoulder and Mr. Geddes was also slightly injured. The motorman was Clyde Wheeler, and he claims he was running at the usual rate of speed.

### DELICIOUS BANANA CREAM.

This recipe is highly recommended by one of our correspondents; try it for dessert to-morrow.  
Peel five large bananas, rub smooth with five teaspoonsful of sugar. Add one teaspoon sweet cream beaten to a stiff froth, then add one box package Leno's JELL-O dissolved in 1 1/2 cups boiling water. Pour into mold and when cold garnish with candied cherries. Serve with whipped cream or any good pudding sauce. JELL-O is sold by all Grocers at the per package.

DeWitt's Kidney and Bladder Pills are prompt and thorough and will in a very short time strengthen the weakened kidneys. Sold by D. A. Ward.

## CAN PREMIUMS BE GIVEN FREE WITH FIRST-CLASS COODS?

It was only a short time ago that our neighbors who have so much to say about premiums were vying with each other to see who could give the most trading stamps for premiums.

Of course, if their statement that premiums cannot be given with first-class goods is true there must have been thousands of dollars worth of worthless goods worked off onto the public at that time.

BUT WE CAN AND DO GIVE PREMIUMS WITH FIRST-CLASS GOODS. New premiums arriving daily. Call at our show rooms and convince yourself.
